LOVE

With my **SELFMOTIVATION, STEADY WILLINGNESS** for experimenting new ways of visual expressions as well as communication from analog to digital techniques in order to receive something unique, beautiful and unexpected I design **SPECIAL PIECES OF ART** in my very own ways.

All the time looking for new projects, challenges and collaborations on every creative field I want to **PUSH MY LIMITS** over and over again.

EVERY SINGLE MINUTE I LOVE WHAT I DO AND ENJOY MY LIFE!

PERSONAL SKILLS

During my studies I have been gaining a lot of useful experience such as **ORGANIZING AND WORKING WITH AND WITHIN TEAMS**. In that time I was involved in projects teams at the agencies I worked and learned at. I'm **WORKING VERY RESPONSIBLY**, I enjoy to work with deadlines and I am **OPEN MINDED AND STRONG-WILLED TO LEARN** new things to broaden my artistic horizon. Due to the teamwork I am used to interact with other people or work by myself.
